## AB 488 Online Filing Available

As part of our ongoing effort to keep you informed about developments in California's regulation of charitable fundraising platforms and platform charities (see [here](#) and [here](#)), we bring you this new, hot-off-the-press update:

The online portal to complete registration and reporting to the California Attorney General's Registry of Charities and Fundraisers for charitable fundraising platforms and platform charities is now available here: <https://shorturl.at/UtLhU>.

Note that Form PL-1 (Initial Registration for Charitable Fundraising Platforms) is due June 12, 2024, for charitable fundraising platforms that are already operating; **however, no late fees will be assessed if filed by October 12, 2024.**

In addition, Form PL-3 (Notification from Platform Charities) for platform charities also becomes operative June 12, 2024, due within 30 days of entering into a partnership with a charitable fundraising platform that has not already been noticed to the Attorney General; **however, no late fees will be assessed for filings due before September 12, 2024.**

The Attorney General's webpage for platforms (<https://oag.ca.gov/charities/pl>) is also up to date with other frequently asked questions regarding each filing required by charitable fundraising platforms and platform charities.
