Call to Participate in Survey Conducted by CalNonprofits

The California Association of Nonprofits (doing business as CalNonprofits) is conducting a study of the economic and social impact of California's nonprofit 501(c)(3) sector. CalNonprofit's CEO, Jan Masaoka, is asking charities to participate by taking a survey. While our firm is not involved with the study, it seems a worthwhile effort. Jan's message, reprinted here, has more information:

Friends: we need your help asking nonprofits to participate in the study of the **Economic & Social Impact of California's Nonprofit Sector**. Please ask folks to take the survey at the following link: <http://svy.mk/17qikag>. This is a large project led by researchers at the U of San Diego and funded by the Irvine Foundation, the Weingart Foundation and the Annenberg Foundation. Please help! Thanks! Jan
