Prior to joining Adler & Colvin, Ms. McLaughlin spent four years as a Director of Grants Administration for two of the largest community foundations in the country. In those roles, she was responsible for compliance with state and federal rules and regulations for public charity and donor advised fund distributions to charities and charitable projects around the world. This included extensive expenditure responsibility and public charity equivalency determinations, 501(h) lobbying and advocacy tracking and reporting, supporting organization grantmaking and due diligence, as well as evaluating other nonprofit compliance issues such as endowment restrictions, gift solicitations, fiscal sponsorships and designated funds.

OUTSIDE THE OFFICE

As a Bay Area native, Ms. McLaughlin enjoys everything our community has to offer including foggy beaches, hikes in the redwoods, and wine tasting. You can find her marching in the Pride Parade, participating in alumni events and mentoring soon-to-be lawyers, remodeling her home with her partner, or cheering on her kids at school and sporting events.
